

Lake George Boat Rentals

Sean & Melissa Quirk - Owners

Success Magazine: Sean, you grew up in the boat rental business. Is Lake George Boat Rentals your family's business? How did you come to purchase it?

Sean Quirk: It started as a family business in Lake George. I began helping my father and brothers with boat rentals when I was twelve. The docks came with a piece of property that I was fortunate enough to purchase along with a Class A Marina permit licensed for fifteen rental boats.

SM: Why are pontoon boats an excellent choice for people looking for a day on the lake?

Sean & Melissa: Pontoon boats are fantastic for the open area to move around. They are spacious and perfect for families. All of our boats are equipped with built-in tables, so many people relax with a picnic on the lake. These boats are

extremely popular because their capacity is so much higher than many other types of boats. You can easily fit a group of twelve people without feeling crowded.

SM: Safety is a top priority at Lake George Boat Rentals. How do you ensure safety for all rentals?

Sean & Melissa: Our motto has always been "safety first" and I have to credit our staff for really adhering to that initiative. Each member of our team has many years of experience on the lake and extensive knowledge of the boats themselves. They are able to give accurate information and direction to our customers. The boats themselves are not fast and pontoons are known for their stability. In addition, we provide life jackets and personal flotation devices for each individual that rents a boat.

SM: How many people can your pontoon boats hold?

Sean & Melissa: We have several different size boats ranging from a sixteen foot with a capacity of five people all the way up to a twenty-four foot with a capacity of twelve people.

SM: What is the most rewarding aspect of your daily work?

Sean & Melissa: The most rewarding part is definitely the people we meet and being able to provide a fun and memorable way for them to enjoy the lake. This beautiful lake and these gorgeous mountains are our office – we feel very lucky coming to work every day!
